Dear All,

## RE: CHINESE STUDENT SCHOLARSHIP CALLS FOR 2021

I would like bring your attention to the following Chinese student scholarship calls for 2021.

1. ANSO: <https://mp.weixin.qq.com/s/AiGdL6FmK6Oxe2mOe2gvsA>
2. UCAS: <http://english.ucas.ac.cn/index.php/admission/international-students/scholarship-financial-aid/5803-ucas-scholarship-for-international-students-2021-call-for-applications>

As part of the SAJOREC Project Steering Committee (PSC), for the project **“Biological Resources Research and Capacity Building for Sustainability of Kenya’s Natural Heritage: A China-Kenya Collaboration”** it is important that you are aware of these opportunities so that you can bring it to the attention of your staff for their action.

Given the rigorous procedure in applying for the scholarship, it is important that those who are eligible to apply should start the process as soon as possible since the submission deadline is on 31st March 2021.

Yours sincerely,

Prof. Mary W. Gikungu  
Director, National Repository & Research  
& Chair, SAJOREC Project Steering Committee
