ICGEB Research Grants 2022

CRP - Collaborative Research Programme

ICGEB offers a dedicated source of **funding for outstanding projects** in ICGEB Member States, with the goal of promoting collaboration, training of young scientists and the development of research facilities.

The programme provides support for research activities in **basic life sciences, human healthcare, industrial and agricultural biotechnology and bioenergy**.

Applicants should hold positions at **Universities** or **Research Institutes** in any of the **ICGEB Member States***

A new special category, Early Career **Return Grants**, funds young researchers, who have spent a minimum of 2 years abroad and who have recently returned to an ICGEB Member State to establish an independent laboratory.

Closing date for online submission: 30 April 2022
