

PACTs Fellowships for Least Developed Countries

The **UN Technology Bank** for Least Developed Countries, **TWAS** and **ICGEB** offer early-career scientists from the least developed countries (LDCs), aged 45 or under, exchange visits of up to 6-months at the ICGEB laboratories in Trieste (Italy), New Delhi (India) and Cape Town (South Africa).

South-North and South-South Fellowships include:

- Applying the **latest techniques and technologies** to your chosen research topic
- **Training** in the development and management of research projects, grant writing, teaching and knowledge transfer, and other scientific soft skills relevant for a career in S&T
- Establishing long-lasting **international collaborations**
- Immersion in a top class **international scientific environment**
- Stipend, health insurance and travel

Closing date for application:
31 August 2021
