Dear all,

RE: CHINESE STUDENT SCHOLARSHIP CALLS FOR 2022

I would like to bring your attention to the following Chinese student scholarship calls for 2021.

ANSO: [ANSO Scholarship 2022 Call for Applications \(qq.com\)](#). As part of the SAJOREC project steering committee (PSC), for the project “**Biological Resources Research and Capacity Building for Sustainability of Kenya’s Natural Heritage: A China-Kenya Collaboration**” it is important that you are aware of these opportunities so that you can bring it to the attention of your staff for their action.

Given the scholarship rigorous procedure it is important that those who are eligible to apply should start the process as soon as possible since the submission deadline is on 31st March 2022.

Yours sincerely,

Prof. Mary W. Gikungu
**DIRECTOR, NATIONAL REPOSITORY & RESEARCH,
CHAIR, SAJOREC PROJECT STEERING COMMITTEE**
